MINERAL ASSET INTELLIGENCE

The mark is the Super Pit in plan: concentric haul-road terraces.
It is not a letter. It is not a flask. Photography is aerial operations, not a laboratory.
Fimiston Open Pit is a visual synonym. We do not operate it.

DO NOT

Do not redraw the mark as AY in a square.
Do not place the mark on white without a graphite field.
Do not add pickaxes, flasks, hard hats, or handshake stock.
Do not use institutional blue except on OneNetwork credits.
Do not describe software output as VALMIN, JORC, or an Independent Expert Report.
Do not put the Super Pit on a valuation as if it were the asset.
